Going to school is expensive and all of the costs can really add up. The City of Lincoln wants to help ease the stress on your bank account, so we created the Park and Learn card. It's the simple and smart way to pay for student parking.

What is the Park & Learn Card?

It is a value card for students who are attending classes in the downtown area. It eliminates the need for cash and check payments as well as speeds up the time it takes to exit the garage.

How does it work?

Eligible participants are issued a card, which is swiped at the entrances and exits of the facilities. Each time the card is used to exit the facility a monetary amount is deducted from the card in accordance with the amount of time spent in the facility. Students must show a current Student I.D. and class schedule to be eligible for the discount.

How much does Park & Learn cost?

Park & Learn participants receive a discount on parking at the following rates.

Parking Value	Your Cost
\$20	\$11
\$40	\$22
\$60	\$33
\$80	\$44
\$100	\$55
